Opening Song: Whole World In His Hands

He's got the whole world in his hands.
He's got the whole world in his hands.
He's got the whole world in his hands.
He's got the whole world in his hands.

He's got the wind and the rain in his hands.
He's got the wind and the rain in his hands
He's got the wind and the rain in his hands.
He's got the whole world in his hands.

He's got the little bitty baby in his hands.
He's got the little bitty baby in his hands.
He's got the little bitty baby in his hands.
He's got the whole world in his hands.

He's got my brothers and my sisters in his hands.
He's got my brothers and my sisters in his hands.
He's got my brothers and my sisters in his hands.
He's got the whole world in his hands.

He's got the birds in the air in his hands.
He's got the whales in the sea in his hands.
He's got you and he's got me in his hands.
He's got the whole world in his hands.

He's got everybody here in his hands.
He's got everybody here in his hands.
He's got everybody here in his hands.
He's got the whole world in his hands.

Musical Benediction: Whole World In His Hands

He's got the whole world in his hands.
He's got the whole world in his hands.
He's got the whole world in his hands.
He's got the whole world in his hands.
